

PPI is hosting an MMJ event, 3 Minute Fast Pitch, that provides a platform for cannabis entrepreneurs with the brightest minds in the industry, interested in introducing their company, products or services. Join us, Sunday, February 18th 2018, at Legends Event Center in Phoenix, Arizona for our charity event to raise money to complete the construction on our PPI Maryvale Youth Center. Our youth center will provide tutoring, counseling and career training opportunities for at-risk youth. Let's bring together the local cannabis community for a wonderful cause!

Your dispensary is invited to provide firsthand knowledge about the rapidly expanding cannabis industry, as it's professionally recorded and made into a promotional video. Our organization will bring together over 350 local business owners, extractors, growers, caregivers, bud tenders and dispensary owners, shaping the future of the medical marijuana industry in Arizona.

Guest speakers will include two elected officials and an expert in the medical marijuana laws in Arizona. Support your industry while giving back to your community! Become a sponsor today all donations are tax deductible! Sponsors will have an opportunity to showcase their flower, concentrates and edibles, in the 420 VIP smoking Lounge, allowing VIP guest to see, touch, smell and taste, while networking and exchanging contact information!

Our goal is to provide a pleasant experience for our sponsors and VIP guests in a safe, comfortable environment, with business-minded individuals looking for an opportunity to socialize and network with professionals in the Cannabis industry!

Brand your company and get recognized as an industry leader while receiving great exposure and long-term returns on investment! The event will be launched with a national media campaign, a network of contacts to help your business grow. Emails to over 5,000 targeted contacts licensed dispensaries and cannabis related businesses, throughout the U.S. Sponsors will receive a printed event directory. Platinum, Gold and Silver sponsorships are available, for more information please visit www.3minutefastpitch.org Sponsor page or feel free to contact me at anytime!
